

Sertaç EKER'in Analitik Labı

Hakkımda

Education

- B.S., Metallurgical and Material Engineering, Gazi University, 2017 - 2021.
- M.S., Engineering Management, Hacettepe University, Turkey, 2026 - ongoing.

Work Experience

Employements

1. Nurol Technologies Inc., Ceramic Production Engineer, 2020 - 2022
2. Er-Bakır Electrolytic Copper Products Inc., Wire Drawing Production Engineer Specialist, 2022 - 2023
3. Roketsan, Specialist Production and Test Engineer, 2023 - ongoing.

Internships

1. Nurol Technologies Inc., Ceramic Production Candidate Engineer, 2020

Projects

1. 5% B4C doped direct sinter SiC armor material development and performance investigation.

2. Two-step sintering method to prevent grain growth structure
3. Manufacturing of SiC armor ceramics tile within liquid phase sintering method
4. Improving the subcomponents of Inertial Measurement Units projects (Six Sigma)
5. Fiber optic coil improvement project (Six Sigma)

Competencies

R, Quarto, Git, Minitab, Avix, AutoCAD, SAP, Oracle

Hobbies

Free Diving, Ski, Swimming, Travelling

Hacettepe IE - MUY665 - Bahar 2026
